RATIONALE

The Office of Student Culture and the Arts Literacy (OSCAL), in collaboration with the Office of Student Sports and Wellness (OSSW) and the University Student Council of Davao Oriental State University (DOrSU), is committed to the promotion and development of physical education, cultural programs, arts competitions, and socio-cultural initiatives. These efforts aim to foster cultural identity, empowerment, inclusion, and sustainability while providing training opportunities for international competitions.

The foundation of these initiatives aligns with **Republic Act No. 7356**, enacted on April 3, 1992, which established the National Commission for Culture and the Arts (NCCA) and the National Endowment Fund for Culture and the Arts (NEFCA). This legislation underscores the significance of institutional support for culture and the arts as an essential component of national development.

Relevant legal frameworks further reinforce these objectives:

1. **Executive Order No. 80 (March 5, 1999)** – This order transferred the Cultural Center of the Philippines (CCP), Komisyon sa Wikang Filipino (KWF), National Museum (NM), National Historical Institute (NHI), The National Library (TNL), and Records Management and Archives Office (RMAO) under the NCCA for policy coordination, thereby ensuring a unified approach to cultural governance.
2. **Republic Act No. 9155 (August 11, 2001) – The Governance of Basic Education Act of 2001** – Section 8 of this Act administratively attached the KWF, NHI, RMAO, and TNL to the NCCA, further strengthening the commission's mandate in overseeing cultural and historical institutions.
3. **Republic Act No. 10066 (March 26, 2010) – The National Cultural Heritage Act of 2009** – This Act provides a legal framework for the protection and conservation of the Philippines' national cultural heritage. It reinforces the role of the NCCA and its affiliated cultural agencies in safeguarding tangible and intangible cultural assets, ensuring their preservation for future generations.

A socio-cultural and arts competition serves as a medium for positive values formation. Henceforward, considering that cultural and artistic expression is an integral part of the tertiary education curriculum, it befits upon the DOrSU to harness the creative potential of its students and utilize its cultural and arts programs as a vehicle for the promotion of the above-cited values. In doing so, the University shall play a vital role in attaining the vision and goals that institutional cultural leaders must set to achieve and shall act as a catalyst for transformative change in the socio-cultural and artistic landscape.

SIGLAKAS, derived from the words "Sigla" (vigor) and "Lakas" (strength), exemplifies the dynamic fusion of energy and resilience. Originally established as an annual sports competition, SIGLAKAS has expanded its scope to include socio-cultural and arts competitions, providing a platform for students to showcase their artistic prowess, cultural heritage, and creative excellence. With the guiding theme of "Fitness, Fun, and Friendship", SIGLAKAS sets the tone for holistic development by promoting a balanced integration of physical, cultural, and artistic engagements.

Thus, this manual of operations and official guidelines for SIGLAKAS is of vital importance, serving as a comprehensive framework that directs participants, organizers, and stakeholders towards a more inclusive and enriched cultural and artistic experience.

Through these legal foundations, OSCAL, OSSW, and the University Student Council at DOrSU uphold a holistic approach to cultural and artistic enrichment, integrating these principles into academic and extracurricular programs. These initiatives not only cultivate artistic excellence and athleticism but also strengthen cultural awareness, national pride, and global competitiveness among students and stakeholders.

OBJECTIVES OF SIGLAKAS

In consonance with the principle that the tertiary education shall be a vehicle for the inculcation of positive Filipino and universal human values, the objectives of the DORSU SIGLAKAS are the following:

1. Provide opportunities for officials to conceptualize, develop, organize, and implement cultural and artistic programs that will complement the other components of the curriculum. These programs aim to cultivate higher levels of artistic skill, cultural appreciation, creative expression, and values designed to develop the full potential of students.
2. Provide opportunities for cultural mentors, artists, and organizers to identify and nurture talents with exceptional artistic and cultural skills, allowing them to represent the university and undergo further training in preparation for higher national or international cultural competitions and artistic showcases.
3. Ensure the availability of ample cultural and artistic resources, such as instruments, stage equipment, and art materials, for the sustainability of cultural and artistic programs beyond the SIGLAKAS event, benefiting faculty, staff, and students of the university.
4. Provide inclusive opportunities for students of varying artistic skills and talents to participate in cultural and artistic competitions, ensuring that through active engagement, the most outstanding talents will emerge to become representatives of the university in higher-level cultural and artistic events.
5. Uphold and promote the ideals of cultural heritage, artistic excellence, and socio-cultural innovation, ensuring that the DORSU SIGLAKAS remains a prestigious and meaningful tradition. This event shall be a testament to the commitment of DOrSU in fostering artistic and cultural excellence, serving as a legacy for future generations, and contributing to national pride and the greater glory of God.

Cheerdancing blends elements of cheerleading, dance, and gymnastics. It evolved from traditional cheerleading routines that gradually integrated jumps, tumbling, lifts, and vocal cheers. Today, it has become a widely recognized performance feature in collegiate sporting events across the Philippines. The document discusses fundamental arm and hand positions, leg and foot placements, essential gymnastic skills such as jumps and pyramids, various dance techniques drawn from hip hop, jazz, and classical styles, and emphasizes the role of powerful, well-timed cheering in enhancing overall performance.

Mechanics and Rules of Contest

1. **Eligibility** - The Cheer Dance Competition is open exclusively to bonafide students of Davao Oriental State University. All participants must be officially enrolled during the current academic term.

3. **Performance Duration** - The routine must run for at least four (4) minutes but must not exceed six (6) minutes. 4. **Time Penalties** - Teams performing below the minimum or beyond the maximum allotted time will incur a one (1) point deduction per judge for every thirty (30) seconds of excess or deficiency.
5. **Pre-setting and Exit Allowance** - Each team is granted thirty (30) seconds for pre-setting and another thirty (30) seconds for exit and pack-up. These periods are not included in the official performance time. Exit timing will continue as long as performers or props remain within the performance area.
